

Summer Camp Program

Campers Enjoy Summer Fun and Learning!

Starting Point Montessori Camp have been loved by children for over 20 years. Our well-rounded camp curriculum enables each child to learn while having fun!

For Summer Camp, parents may register their child to attend at a minimum of two weeks or for the full session of nine or ten weeks. It's a great opportunity for parents who would like to gradually introduce their child to the upcoming school year.

We strive to provide a combination of academic and fun activities integrating weekly themes. Current students will continue on their individual academic work while new students adjust and become comfortable with the Montessori materials.

The building opens at 7:00 a.m. and closes at 5:30 p.m. The program is available to all children between the ages of eighteen months to six years.
